

| Series No. | Description   | Page                       |
|------------|---|----------------------------|
| 515        | Height Master                                       | 359, 361                   |
| 515        | Universal Height Master                             | 360                        |
| 515        | Height Master accessories                           | 362                        |
| 515        | Depth Micro Checker                                 | 363                        |
| 515        | CERA Caliper Checker                                | 364                        |
| 515        | Inside Micro Checker                                | 365                        |
| 515        | Check Master  | 366, 367                   |
| 515        | Bore Gauge Checker                                  | 373                        |
| 515        | Snap Gauge Checker                                  | 374                        |
| 515        | Lamps   | 644                        |
| 516        | Step master   | 368                        |
| 516        | Presentation Gauge block                            | 388, 389                   |
| 516        | Steel Gauge Block                                   | 390, 391,<br>392, 393, 399 |
| 516        | Carbide Gauge Block                                 | 394, 400                   |
| 516        | Steel Micrometer Gauge Block                        | 395                        |
| 516        | Steel Caliper Gauge Block                           | 395                        |
| 516        | Micrometer Gauge Block                              | 396                        |
| 516        | CERA Gauge Block Set                                | 402                        |
| 516        | CERA Gauge Block                                    | 403                        |
| 516        | CERA Micrometer Gauge Block                         | 404                        |
| 516        | CERA Caliper Gauge Block                            | 404                        |
| 516        | Gauge Block Accessories                             | 408                        |
| 516        | Maintenance Kit for Gauge Block                     | 410                        |
| 517        | Granite Surface Plates British Standard             | 384                        |
| 518        | Digital Height Gauge QM-Height                      | 240                        |
| 518        | Linear Height Gauge LH-600D/DG                      | 241                        |
| 518        | Optional Accessory for Linear Height                | 242, 243                   |
| 521        | Calibration Tester                                  | 375                        |
| 523        | Snap Gauge/Snap Micrometer                          | 86, 87                     |
| 525        | Formtracer SV-C3200 / SV-C4500                      | 577, 578                   |
| 525        | Formtracer Extreme SV-C3000 CNC/SV-C4000CNC         | 579, 580                   |
| 525        | Formtracer CS-3200                                  | 581, 582                   |
| 525        | Formtracer Extreme CS-5000CNC/CS-H5000CNC           | 583, 584                   |
| 526        | Bore Gauge for Extra Small Holes                    | 113, 114                   |
| 527        | Vernier Depth Gauges                                | 226                        |
| 527        | Depth Gauge Hook End Type                           | 227                        |
| 527        | Dial Depth Gauge                                    | 228                        |
| 528        | Knife Edge Straight Edge                            | 342                        |
| 530        | Vernier Caliper                                     | 182                        |
| 530        | Vernier Caliper carbide-tipped                      | 183                        |
| 531        | Vernier Caliper with thumb clamp                    | 184                        |
| 532        | Vernier Caliper with fine adjustment                | 185                        |
| 533        | Vernier Caliper Nib Style and Standard Jaws         | 190                        |
| 534        | Workshop Vernier Caliper with Long jaws             | 194                        |
| 534        | Metric/Inch Workshop Vernier Caliper with Long jaws | 195                        |
| 536        | Left-Handed Vernier Caliper                         | 186                        |
| 536        | Carbide Scribing Caliper                            | 199                        |
| 536        | Vernier Offset Caliper                              | 201                        |
| 536        | Vernier Offset Centreline Caliper                   | 203                        |
| 536        | Special Caliper distance between edge and bore      | 204                        |
| 536        | Swivel Vernier Caliper                              | 205                        |
| 536        | Vernier Point Caliper                               | 208                        |
| 536        | Vernier Blade Type Caliper                          | 209                        |
| 536        | Vernier Neck Caliper                                | 211                        |
| 536        | Hook Type Vernier Caliper                           | 213, 214                   |
| 536        | Inside Caliper                                      | 216                        |
| 536        | Tube Thickness Caliper                              | 217                        |
| 539        | Linear Scale AT103                                  | 455, 456, 457              |
| 539        | Linear Scale AT116                                  | 458                        |
| 539        | Linear Scale AT113                                  | 459, 460                   |
| 539        | Linear Scale AT112                                  | 461                        |
| 539        | Linear Scale AT181                                  | 462                        |
| 539        | Linear Scale AT715                                  | 463                        |
| 539        | Linear Scale AT402E                                 | 467, 468, 469              |
| 539        | Linear Scale AT203                                  | 470                        |
| 539        | Linear Scale AT216T/TL                              | 471                        |
| 539        | Linear Scale AT211                                  | 472                        |
| 539        | Linear Scale AT212                                  | 473                        |
| 539        | Linear Scale AT300                                  | 473                        |
| 539        | Linear Scale AT500                                  | 474                        |
