

SERIES 515 – Height Master Auxiliary Block Kit for Bore Gauge Setting

- Used for efficient reference-setting of dial bore gauges and tubular inside micrometers (18-150 mm) on a Height Master.

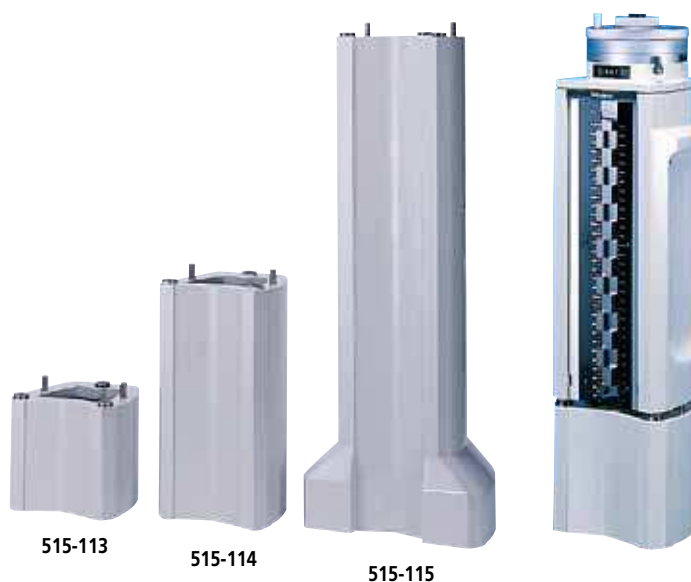

SPECIFICATIONS

Metric		
Code No.	Suitable type	Price
515-111	Digital Height Master (515-374)	£195.00
515-112	Height Master (515-322)	£195.00

Inch		
Code No.	Suitable type	Price
515-120	Digital Height Master (515-375)	£195.00
515-121	Height Master (515-311)	£195.00

SERIES 515 – Height Master Riser Blocks

- The measuring range of a Height Master can be extended up to 900 mm by using 150, 300 or 600 mm riser blocks.

SPECIFICATIONS

Metric					
Code No.	Height	Accuracy	Variation in length	Mass	Price
515-113	150 mm	±0.6 µm	0.6 µm	5.7 kg	£321.00
515-114	300 mm	±1 µm	0.8 µm	11.8 kg	£470.00
515-115	600 mm	±2 µm	1 µm	26.8 kg	£709.00

Inch					
Code No.	Height	Accuracy	Variation in length	Mass	Price
515-116	6"	±20 µin	20 µin	5.7 kg	£321.00
515-117	12"	±40 µin	30 µin	11.8 kg	£470.00
515-118	24"	±80 µin	40 µin	27.9 kg	£709.00
