

Pocket Comparators

SERIES 183 – Interchangeable Reticle Magnifier

- Small dimensions and angles, including radii and screw-thread form, can be checked easily at low resolution simply by interchanging optional reticles in the magnifier.
- An optional illuminator (950757) is available.

183-101

Technical Data

Reticle size: ø30 mm

Includes box

Optional Accessory

950757: Illuminator (without battery)
£35.00

SPECIFICATIONS

Code No.	Magnification	Remarks	Price
183-101	8X	Optional reticles available	£36.50
183-121	9X	Optional reticles available	£70.00
183-131	10X	Optional reticles available	£71.10
